The Better Business Bureau Honors 2012 Business of Integrity Award Winners

The Better Business Bureau Serving Greater Iowa, Quad Cities and Siouxland Region recently celebrated its annual Integrity Awards. The luncheon was held at the Downtown Des Moines Marriott and proved to be a success with over 300 business and community leaders from throughout the state in attendance. Guests were treated to an engaging video presentation highlighting the winners’ integrity and ethics.

The 2012 Business of Integrity winners:

- **The Arc of East Central Iowa** – The Arc, is a not-for-profit organization offering multiple programs and services for almost 750 individuals with intellectual and developmental disabilities. They help individuals achieve their life goals and become productive members of the community.

- **Des Moines Truck Brokers, Inc.** – DMTB is one of the premier full-service, third-party transportation logistics providers in North America. With a dedication to on-time deliveries and a reputation for paying carriers quickly, they offer the ultimate in service to their customers.

- **HCI Care Services** – HCI is a not-for-profit, community based organization with the mission of promoting dignity, independence and quality of life through compassionate and effective community based care. Serving families since 1978, they have a long history of providing compassionate comfort and care to those with chronic or serious illnesses.

- **Kemin Industries** – Founded in 1961 by RW and Mary Nelson, Kemin is a science based company manufacturing nutritional ingredients for animals and humans. Kemin has 13 manufacturing facilities located in the United States, Europe, South America, Africa and Asia. They sell their products in more than 60 countries, continually working on creating new molecular technologies for their markets and customers.

About The BBB. The BBB is an unbiased non-profit organization that sets and upholds high standards for fair and honest business behavior. Businesses that earn BBB Accreditation contractually agree and adhere to the organization’s high standards of ethical business behavior.
